Need a Back in Stock Reminder?

Notify Me

When does the opt-in to a reminder expire?

After one calendar year. If the item does not become available within that time, your reminder opt-in will automatically expire. If needed, you can opt in again on the product detail page of the item by clicking **Notify Me**.

Can I opt out if I no longer need a reminder?

Yes. Customers can opt-out of the reminder at any time by returning to the stock box area of the item and clicking **Cancel Reminder**.

How do I opt in to a reminder?

By clicking **Notify Me**, customers are given the option to receive a Back in Stock reminder through email, a bell alert on ipage, or both. Customers can have the reminder sent to additional email addresses by separating them with commas.
