

Ingram Content Group's Exclusive IPG Member Offer

The Independent Publishers Guild (IPG) and Ingram Content Group UK are pleased to announce an exclusive offer to help IPG members sell more books around the world using Lightning Source Print-on-Demand (POD) technology.

If you are interested in short run printing or global distribution, we can help! We have POD facilities in the US, UK, Australia, and Sharjah and our Global Connect POD network connects with digital printers in even more countries around the world. For more details, please visit [ingramcontent.com/globalconnect](https://www.ingramcontent.com/globalconnect).

Offer Details

The Offer	The Benefit
Free set-up for titles supplied in digital format	Save even more when you have both hardback and paperback editions ready in time for publication. Save £42 (exc. VAT) per title
No Global Distribution Fee for the 1st Year	Pay no fees for an entire year when you load new titles into our global distribution network. Save £7 / \$12 / €8 per title per year
First Revision Fee Removed	IPG members do not pay for the first revision fee per title. Applies to newly uploaded titles only. Save £21 (exc. VAT) per title

To benefit from this offer, please access the promotion code on your IPG account and use it when you upload a title to your Lightning Source account. If you do not yet have a Lightning Source account, visit [getstarted.ingramcontent.com](https://www.getstarted.ingramcontent.com) to get started!

Did you know?

Many retailers and wholesalers will only trade in one or a limited number of currencies. By pricing your titles in all major trading currencies available, you increase your distribution reach and create the opportunity to capture sales in more markets.
